1. What is the topic of your conversation group? Library Topics

2. What is the general feeling of the group? - Positive - Appreciate Library - see need for more

3. Please record ideas, opinions and what action items might come out of this conversation below:

- Does the library need expansion/renovation?
  - Improvement is a good thing - it is a good resource
  - Are computers needed? Most people use at home
  - Need more meeting rooms - Alternative settings
  - Need more access to online subscription services
  - A teen room would be nice - <sup>current</sup> Young Adult section small
- Many people get e-mail there
- Reference room is large, but under utilized - could be ~~red~~ repurposed
- More tutorials + support for patrons to learn electronic tools
- Nicer areas to read - like the Miller park library reading areas - Like Caribou
- Could be a center for socialization for Young Adults - Teen room in downtown library
- Facilities dedicated to teens are currently inadequate
- Game playing groups meet in library - Mondays @ 3:30

- Need better walk / bike access
- Library could be used to house Archives
- Could the library serve as our community center? or a Center of the Community?
- Library @ High School is not as useful because access is restricted
- People need to learn to use online resources
- Coffee shop at Library?
- Inter library loans under-utilized - but don't have reciprocity with every other libraries
- Outdoor reading area would be nice - like a garden with some comfortable seats

1. What is the topic of your conversation group?

Tremont Pool + Surrounding areas

2. What is the general feeling of the group?

~~Feel it's too old~~ rebuild it, upgrade it, it's too old

Upgrade

3. Please record ideas, opinions and what action items might come out of this conversation below:

General Safety

- Regrade the pool, (tear it down); facilities
- Expansion
- More family friendly (services such as the facilities at the Reed Rd water park) ~~Health benefits~~
- Bathrooms, locker rooms
- Therapeutic benefits (hot tubs, ~~sauna~~ sauna)
- Area w/ lessons for younger children; better area for kids
- Heated
- Space, excessive around the pool  
walkway — bike space
- Grassy areas kept
- ~~Location~~ location is most convenient, don't change  
larger pool? (bandstand)
- Gazebo for local entertainment

★ cluster the play grounds  
for <sup>more</sup> possible space, would  
it ~~we~~ make sense to have  
1 big playground rather  
1 school playground right next  
to the small playground by  
the pool?

1. What is the topic of your conversation group?

Safety of school and parking lots, pathways

2. What is the general feeling of the group?

Concerned with safety of kids and citizens of the community.

3. Please record ideas, opinions and what action items might come out of this conversation below:

- redo the walkways around the school
- repair parking lots → potholes and drainage systems.
- move traffic signs to induce more safety for kids walking to school.
- stop light ~~cameras~~ cameras
- safety patrol not only on Tremont, but also on Northem.
- A lot of speeding on Ridgeview, mostly by teenagers. ← Have cop on that road patrolling speed and safety.
- Have cops patrolling around Northem Park, a couple times a week.
- Flashing lights at crosswalks.
- Better defined walking areas.
- Not sure if it's necessary to have pool @ Tremont. Maybe another alternative.

Speed camera  
Citizen patrol?  
C. Pol. Academy
